Rain-sensing windshield wipers with adjustable speed	●
Xenon Adaptive Headlights with dynamic auto-leveling, Corona headlight-rings and Cornering Lights	●
Retractable, high-intensity headlight washers	●
Power-adjustable, heated, body-color, power-folding side-view mirrors with automatic-dimming function	●
Choice of standard or metallic paints	●
BMW Individual exterior paints: Azurite Black Metallic, Citrin Black Metallic, Moonstone Metallic, Amazonite Silver Metallic, Champagne Quartz Metallic	○
BMW Individual Exterior Line (requires BMW Individual exterior paint)	○
Rear spoiler	●
Shadowline exterior trim	●

● Standard

○ Optional

■ Included in Driver Assistance Package

▲ Included in Executive Package

¹ Driving over rough or damaged road surfaces, as well as debris, curbs and other obstacles, can cause serious damage to wheels, tires and suspension parts. This is more likely to occur with low-profile tires, which provide less cushioning between the wheel and the road. Be careful to avoid road hazards and reduce your speed, especially if your vehicle is equipped with low-profile tires. Performance tires are not recommended for driving in ice and snow conditions. Wheel and tire specifications are subject to change.

Interior seating and trim	M5 Sedan
20-way power front M Multi-contour seats with 4-way lumbar support, articulated upper backrest, adjustable thigh support, passenger's-seat memory, and Active Head Restraints with adjustable side support.
